Lou THE MAN

Lou Molloy

Lou Molloy is a Manchester based tattoo artist who first became recognised after being asked to design and ink David Beckham's back tattoo - *The Guardian Angel*.

As a straight-talking star of the TV series London Ink, Lous' profile has risen dramatically in the UK and the programme has seen him working on a range of celebrities from musicians to glamour models and sporting heroes.

Lou first began tattooing in the 1970's when the art form had a dark reputation and sat firmly outside mainstream culture.

Lou spent his teenage years improving his skills and in 1981 opened his now world-famous, Manchester studio where his appointment book is usually booked up at least 1 year in advance.

Lou Molloy has twice won the UK Outstanding Artist of the Year award and is now recognised as one of the most influential exponents of tattooing in the world.
